

## 2021 Lower Limit and Current Process Month Calendar

The “lower limit date” is three calendar months prior to the “current process month.” For terminations, the lower limit date is the farthest back coverage may be retro-terminated as allowable under Policy 19-1, Addendum 19-1A.

“Current process month” identifies the specific period of time for which the insurance system is billing an agency. The beginning and end date of an agency’s current process month depends on which one of the three invoicing cycles the agency is in.
